Registering Your Swarm M138 Modem

1 CREATE YOUR HIVE ACCOUNT AND SIGN IN

<https://bumblebee.hive.swarm.space/hive/ui/sign-up>.
After signing up, a registration email will be sent to you.

2 NAVIGATE TO REGISTER DEVICE

<https://bumblebee.hive.swarm.space/registerDevice>

3 CLICK START SCANNING TO SCAN YOUR SWARM M138 MODEM QR CODE

The Swarm Modem registration code is the QR code on the M138 sticker. If you are unable to use the browser-based scanner, you can also use your camera app to scan the Swarm M138 QR code and enter the auth code in the Hive manually. See example below:
